

EXCHANGE

NORTH CAROLINA DISTRICT EXCHANGE CLUBS

Greetings to fellow Exchangites:

The North Carolina District Awards Committee would like to encourage each club in the District to complete the forms in the Awards package and submit them to our committee to be judged.

We realize that each club does so many projects each year and so many times they are not recognized by the District or by National. Nearly every club has done enough projects to qualify for the National Service Award but never submit their information!

The following forms will help you understand how and when to apply for the various awards. Please take time to review this package. We look forward to receiving your entries for our 2009-2010 awards presentations.

Please feel free to contact me if you have any questions!
